What's Happening at CWC?

**We MISS You
bunches**

Hello, CWC!

We miss seeing you in person! Facebook is just not the same, but we are thankful for what we can have in the meantime. Please feel free to be in touch with us. We are all part of God's family, and we are in this together. We do encourage each of you to make this time at home count where it matters! Spend time with your family. It's easy to find ourselves spending way too much time outside of home and family, but the family was created first. Let's honor the Lord by getting back to basics and putting our time and effort into our family and home. They are worth every minute!

**GIVE
ONLINE**
OR BY MAIL

We're still in business! The church staff, building expenses, repairs, etc., all continue every single day. This is OUR church – all of us together. We encourage everyone to give and make sure the church and staff are taken care of – all to the glory of God! So, how do you give when you're not actually in the church? It's easy!

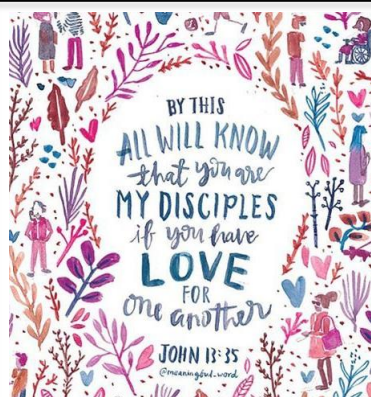

You can go online to our website, www.cwccorsicana.org. Click on the GIVING link and follow the steps.

If you would rather mail in your support, you can send it to:
1364 N. Beaton St., Corsicana, TX 75110.

Either way you give, we thank you for continuing your support even through this trying time.

Keep a watch on Facebook and YouTube for the messages on Sunday. Bro. Johnson will be teaching a lesson on Facebook and YouTube next week, too! The message links go live on Sunday mornings by 10:30 AM. If you do not have a Facebook account, we have you covered. You can go to YouTube and go to our channel, CWC Corsicana. You will find all our videos there.

BE THE CHURCH

John 13:35 NIV 'By this everyone will know that you are my disciples, if you love one another.'

I've spoken with business owners and employees at various businesses as I have completed errands and such. Each time that I visit a business, I tell them that we love them and that they are in our prayers. I pray for their business and their health. If you have opportunity to do this, do it!

Pray for our area businesses, their employees, the economy, and that the Lord will continue to give wisdom to our country and state leadership. When you are visiting a business, tell them in person that they are loved and are in your prayers. Love one another!

EASTER

We are not able to tell you what Easter will look like yet. We are waiting to see what restrictions are still in place and what is lifted so that we will know how to proceed. We will keep you informed on Facebook as we are able to gain information and make plans.

From our family to yours, we love you and are praying for you! We will be back together soon, and we will be able to celebrate as a church family. What a sweet day that will be!

Love,
Pastors Michael and Melissa
