

November 2019 CWC Connect

What's Happening at CWC?

The CWC Pastors all give you a big THANK YOU for your love and support shown during Pastor Appreciation Month. We love you and are thankful to have you be part of this church family!

Mission's Sunday is **Nov 3rd**
Remember your missions giving to support our missionary efforts at home and abroad.

For over two decades, National Adoption Month has been promoted and celebrated every November in communities across the country. CWC has many families who have adopted and are raising children in a Godly, loving home. During this month, many national, State, and local agencies as well as foster, kinship care, and adoptive family groups will help educate their communities to help raise awareness about the thousands of children and youth currently in foster care who are waiting for their own permanent, loving families.

National Camporama is an event for Royal Rangers that occurs one time every 4 years in Eagle Rock, Missouri. Because of the cost to attend this campout, the Royal Rangers who are attending this event will be having this fundraiser to help go toward the cost of this trip.

Calvary Kids is starting a collection for Blessing Baskets this month. Each Christmas season, the Calvary Kids department collects items to bless elder members of our congregation that might not have the opportunity to physically attend services any longer. We take a group of children to visit each recipient and sing for them during our deliveries. Lists of items to choose from, in order to donate, will be located at Calvary Kids check in stations for you to see how you can help. Help us to bring joy to these members and to remind them that they are not forgotten by their church family. (All donations are due by **Dec. 8th**)

Delivery of the baskets will be on Sunday, **Dec. 15th**, after the morning worship service. All families wishing to participate need to come to the youth center following morning worship. We will be providing pizza and salad prior to leaving the property and will be returning in time for the evening services.
